COMMUNITY BUSINESS PARTNERS

The Van Wyck Elementary School PTO supports ALL areas of the school - academics, athletics, administration, students, teachers, staff, parents and community. We welcome the opportunity for businesses, community organizations, parents, and other individuals to support the students, teachers, staff, and parents of VWES. With the help of Community Business Partners, the VWES families will receive additional resources and support that are not covered by District Funding.

If you are interested in becoming one of our wonderful Community Business Partners contact Lauren Clevenger: corpsponsorvwepto@gmail.com
